Lt. Thomas Hanley May Make Airplane Flight To This City

Liberty Loan Committee Asks Hanley To Use Influence To Secure Airplane Flight Over This City In Connection With Liberty Campaign Wednesday—Boy Scouts Get Results

A telegram from the Coshocton Liberty Loan committee was sent to Major Thomas Hanley, of Rantoul, Ill., Monday asking him to use his influence to send an airship to Coshocton Wednesday. An effort will be made to bring an airplane from the Dayton field. A large number of airmen will be sent from Dayton to various cities thruout the state on that date and an effort is being made to have one circle to Coshocton enroute to a nearby city.

Owing to the fact that Major Thomas Hanley is familiar with the ground around here it is thot Coshocton stands a fair chance of being granted the request. At a late hour last night no word had been received from Major Hanley

Boy Scouts Busy.

"Bond Fires" will be seen in the city night the result for the Liberty Loan drive made by the Boys had reached $10,550 Tonight at 7:30 the Scouts will parade down Main street bearing torches. Wednesday morning if satisfactory arrangements can be made the boys will accompany W. J. Bryan from the station to the court square.

The Scouts, under the direction of W. F. Tankersley, are planning to make a house to house canvass for the sale of Liberty Bonds. Wednesday the Camp Fire girls will use their efforts in furthering the sale.

Watch For Liberty Fires.

"Bon Fires" will be seen in the city Tuesday evening in connection with the women's part in the big drive. Coshocton women have shown marked enthusiasm in their part of the Liberty Loan campaign and last evening forty were present at a meeting called by the chairman, Mrs. C. B. Smith.

R. Q. Baker explained the application blanks to the women last evening and the following were appointed to take charge of the work Wednesday. Ward 1, Mrs. S. W. Snyder and Mrs. Fred Timmons; Ward 2, Mrs. David Dawson; Ward 3, Mrs. Robert Love and Ward 4, Mrs. D. O. Thompson.

Two Hurt When Train Strikes An Automobile At Street Crossing

Pennsylvania train, No. 1219, struck a Ford automobile owned and driven by C. C. Lentz, Elm street, throwing the driver and Bert W. Todd, of East Main street, several feet out of the car Sunday noon at the Chestnut street crossing.

Mr. Todd and Mr. Lentz had been chestnut hunting and were going east on Chestnut street when the accident occurred. Mr Todd, superintendent of the Hunt-Crawford company was cut and bruised about the face and severely sprained his right arm near the wrist. Mr. Lentz who was driving the car sustained a severe blow on the head and chest and was uncon-cious part of Sunday and Monday. He was able to be around Monday and in the evening was reported suffering more pain.

They were coming up Chestnut street at a good rate of speed and according to B. W. Todd saw the watchman standing about five feet away from the shanty. As the train approached Lentz made a sharp turn out Fifth street and the car dropped over the curbing. Todd jumped and slid across Fifth street on his hands and face. He was conscious and walked over to the Park hotel bus at Chestnut street and was taken to the office of Dr. McClain.

Just as Mr. Todd jumped the train hit the machine and pinned it against a telephone pole, completely wrecking the car. Lentz was thrown on his head and chest in the wreckage. Parts of the car were carried half a block along Fifth street.

Persons who witnessed the accident claim that no blame can be attached to the watchman who had given warning as the men approached.

To Organize Red Cross at Roscoe

Steps toward organizing a branch of the Red Cross were taken at a meeting held in the Roscoe school house last evening. Mrs. J. E. Lyons was chosen chairman of the temporary society, and Miss Alice Kanavel, secretary.

Committees were appointed to secure a place and make other arrangements for opening a work room in Roscoe, so that no time will be lost while waiting for the charter by which the permanent organization can be formed.

HAS ROBE STOLEN

Frank Pfous, of Walnut street, had a robe stolen from his auotmobile Sunday evening, while the car was standing in front of the Charles E. Lorenz home on Chestnut street. The robe is one that had belonged to the family for many years.

TAKES X-RAY PHOTO

Dr. Edmond Cone took an X-Ray picture of B. W. Todd's right arm Monday. The picture did not show a fracture.

FRENCH CABINET MEMBERS RESIGN

(BULLETIN)
(By Associated Press)

PARIS, OCT. 22.—The French babinet resigned today.

President Poincare refused to accept the resignation on the ground that the Chamber Friday had voted confidence in the ministry.

TRUCK SKIDS INTO A POLE

John Elder, local baker, while driving a Buick delivery truck ran into a telephone pole on North Fifth street Monday afternoon. The machine struck a rut in the street and skidded striking the pole. It was not badly damaged but was taken to the Waggoner garage for repairs.

TONSILECTOMY CASE.

Grace, the thirteen year old daughter of Mrs. James Evans, of John street, underwent an operation for the removal of tonsils at the office of Dr. Jesse McClain, Sunday.

CITY ENGINEER GETS PANNING FROM COUNCIL

Is Criticised for Alleged Disobeying of Instructions in Preparing Plans to

ALLEGED MOVE TO OUST HIM BLOCKED

Notes for $5,800 in Aggregate Issued to take up Indebtedness Certificates.

Council last night authorized the issuance of notes in the amount of $3,500, $1,000, $1,800 and $3,000 at six per cent interest and to run for six months to take care of indebtedness incurred by the paving of Hamilton avenue, McClam avenue, Orange street and Sycamore street respectively. The Orange street note is to run one year. The notes are issued to take up certificates of indebedness and will be paid off thru the sale of a bond issue early in the winter.

An ordinance authorizing the paving of Coe avenue from the south line of Chestnut street to the north line of Main street was introduced and passed. A petition to have both Denman and Cassingham avenues, now being paved, known as Denman avenue hereafter, was read. The matter was referred to the street committee and a poll of the property owners will be taken. The wish of the property owners holding a majority of foot frontages will decide the matter.

A. M. FISHER SCORED

City engineer, A. M. Fisher, came in for a panning at the hands of council, members declaring that he did not abide by their instructions in drawing of plans for improvements. The direct cause of the criticism was his failure to be present at last night's meeting and present a report of the proposed grading of the Orchard street hill. Later E. W. Heinke broached the matter of accidents at Bank street and stated that council had advised an 18-inch curb with railing and that the plans were not so drawn. The street committee will confer with the county commissioners in regard to the matter.

The panning of City Engineer Fisher recalls a rumor current a short time ago which was in effect that the administration was "all set" to oust Fisher and give the office to Charles B. Cox, recently deputy county surveyor. The plan came to a halt because of civil service obstacles, it is said.

Michigan Grange Master to Talk In This County

John Ketcham, master of the Michigan grange, will be in this county Thursday to speak on the temperance question

He will address at an audience at Nellie from 5.30 to 6.15, and will go from there to Fresno, where he is scheduled to speak at 7:30

Grangers in these parts of the county will no doubt welcome this opportunity to hear a man of so great prominence in grange work, and especially, since he will speak on so timely a subject.

Photographer Gets In Bad

At the request of Columbus authorities William Luffman, local photographer, was arrested Monday and lodged in the city prison Last night he was taken to Columbus where he will be arraigned in municipal court on a paternity charge, preferred, it is said, by Mrs. Darius Roderick, formerly Miss Vernal Huston, of this city.

8,250,000 German Casualties, Report

AMSTERDAM, OCT 22.—The Cologne correspondent of the Tijd reports that the German casualties lists, comprising killed, wounded, prisoners and missing from August, 1914, to September, 1917, fill thirty folio volumes of 22,000 pages. He calculates the total number of names at 8,250,000.

POTTERS STILL OUT ON STRIKE

(By Associated Press)

EAST LIVERPOOL, OCT. 22.—In spite of orders from the National Brotherhood of Operative Potters that all members return to work today, only a small percent did so and at a meeting of kiln hands attended by about 800 men, including representatives from plants in several states, it was decided that these men would not return to work at wages agreed to by National Association.

Jiggermen, kiln placers, seggar-makers and dippers, affiliated with the National Brotherhood of Operative Potters, did not return to work at the Pope-Gosser pottery Monday morning The plant remained closed as other departments are dependent upon their work.

Late last night no word had been received from East Liverpool in regard to the conference which local representatives are attending, and it was thot the men would not return to work before Wednesday at the earliest.

PRINCE AT LAW SOLD BY OWNER

Prince At Law, Clint Barrell's black pacer, has been sold to Dr. Curry, of this city, at a fancy price. The sale was made shortly after Barrell returned from Cleveland where Prince At Law was second Saturday in the 2 13 pace on the Rockport track The track was muddy and the race was declared finished in the third heat on account of darkness. The local horse won the first heat with a bunch of local money down.

The horse was driven thru the season by John Wagers who was in the sulky in all the winning races. Prince At Law was never out of the money in any of his races a record never equalled by a Coshocton horse

U. S. TO SEIZ GERMAN GOODS WITHIN NATION

Action to be Taken Under "The Trading With the Enemy Act"

WILL PROBABLY TAKE MILLION COTTON BALES

Other Supplies Worth Approximately $3,000,000,000 to be Divided with Allies

NEW YORK, OCT. 22—One million bales of cotton worth $145,000,000 are included in the German owned supplies which are stored in this country which the government plans to seize according to reports in circulation here today.

Government seizure of immense stores of cotton, steel, copper, nickel, leather, oil and other supplies bought by German agents before the United States entered the war, was reported here today as having already started.

The supplies said to have been seized are valued at approximately $3,000,000,000. American brokers are holding these supplies, valued at hundreds of millions of dollars, in the names of the German agents.

The seizures are being made, it is reported under the trading with the enemy act. The law gives the government power to take over all property here just as German ships were taken and settle for it after the war. It is understood all supplies seized will be shared as much as possible with the allies.

Zanesville Boy Is Up Before Court Martial Monday

(By Associated Press)

NEW YORK, OCT. 22—The court martial at the headquarters of the department of the east reserved decision today after listening to evidence in the trial of Samuel O. Livingood, 24, of Zanesville, an aviation student at Princeton, on a charge of having in his possession poison within intent to injure others. Livingood denied the accusation and affirmed his loyalty to the United States. He said he had the poison because he planned to commit suicide after being disappointed in love.

67 Lost When Antilles Sank

WASHINGTON, OCT 22 Sixty seven lives were lost when the army transport Antilles went down last Wednesday by the torpedo of a German submarine. The official list of casualties cabled today by General Pershing, shows 67 lost, total survivors, 179, and one unaccounted for.

The casualty list shows that not all the lost were Americans. The firemen, of whom many were probably killed by the explosion, came principally from Spain and Portugal. Some of the non-commissioned army officers, among the American troops lost, were men of foreign birth. Two of them were Germans by birth and now have brothers living in Germany one in Berlin and the other in Oldenburg

General Pershing's report throws no new light on the circumstances of the attack and so far as is known neither a submarine nor a torpedo was seen.

TO BUILD FENCE

The members of the Pleasant Hill Baptist Church are asked to go to the church Wednesday for the purpose of building a new fence around the yard. The workers are asked to take posts and tools to work with. All the parishiners are urged to respond to the call.

Bases For The Draft Announced By High Officers

Nine Million Men Registered For Draft Are Arranged In Order Of Liability To Service—Bases Of Classification Is Made Public That Each One May Know In What Order He May Be Called.

WASHINGTON, OCT. 22—The five classifications into which men awaiting draft will be divided under the new regulations approved by President Wilson have become public much before the time planned by the provost marshal general's office and are here published. It was discovered today that what was to have remained an official secret for a week or more was divulged Saturday night at a dinner in New York which Secretary Baker and Provost Marshal General Crowder attended

The provost marshal discussed the new regulations without intending to make public the classification, but some members of a New York local exemption board, thinking to elucidate the general's speech, printed the classification.

The classifications are as follows, and show every man registered, to which class he belongs and what order the different classifications will be called to service.

CLASS NUMBER ONE

1. Single man without dependent relatives.
2. Married man, or widower with children, who habitually fails to support his family.
3. Married man dependent on wife for support
4. Married man or widower with children, not usefully engaged, family supported by income independent of his labor.
5. Men not included in another description in this or other classes.
6. Unskilled laborers.

CLASS NUMBER TWO

1. Married men or father or motherless children usefully engaged, but family has sufficient income apart from his daily labor to afford reasonably adequate support during his absence.
2. Married man—no children—wife can support herself decently and without hardship.
3. Skilled farm laborer engaged in military industrial enterprise.
4. Skilled industrial labor engaged is necessary agricultural enterprise.

CLASS NUMBER THREE

1. Man with foster children dependent on daily labor for support.

Office of—
County Auditor, Coshocton County, O.
October 11th, 1917

Hon. James Glenn
Judge of the Court of Common Pleas
Coshocton County, Ohio

The foregoing is the Detailed Report of all Financial Transactions of said County, for the Fiscal Year ending August 31st, 1917, made by me, and is respectfully submitted to you to determine whether the same is in conformity to law.

F. C. McCULLOUGH,
County Auditor.

Court of Common Pleas Coshocton County, Ohio, October 11th, 1917

I certify that the foregoing Report is in compliance with the law.

JAMES GLENN,
Judge of the Court of Common Pleas

"BOB" FITZSIMMONS TAKES FINAL COUNT

Bob Fitzsimmons.

"Fighting Bob" Fitzsimmons, former heavy-weight champion of the pugilistic world, died at a Chicago hospital Monday after a five-day illness from pneumonia.

"Fighting Bob" took the title in 1897 from James J. Corbett and lost it in 1899 to James J. Jeffries. He was an all-around athlete, before taking up boxing being a hammer thrower and long distance runner.

He will be remembered by thousands of Coshocton county residents as having appeared with the Sell-Floto circus with his son during the past summer.

SENATOR IS SHOT

MILWAUKEE, WIS., OCT. 22.—Arrangements for the funeral of U. S. Senator Paul Husting of Wisconsin, who died yesterday as the result of a gunshot wound accidentally inflicted by his brother while duck hunting, are being made today. It is expected the funeral will be held at Maysville, the home of the dead senator.

The accidental shooting of Senator Husting occurred at Rush Lake, Wis., while he and his brother, Gustave were hunting. Senator Husting was rushed to a farm house at Pickets where he died despite efforts to physicians to save him.

Since Husting was a Democrat, it is believed his successor who will be appointed by Gov. Phillipse, will be a Republican, as Gov. Phillipse is a member of that party.

THEATRES

"NOTHING BUT THE TRUTH."

Which comes to the Sixta St. Theatre Friday, October 26, will offer our local amusement lovers their first glimpse of a farce that ran for an entire year in New York and was accredited with the most uninterrupted praise of those who saw it and were entertained by James Montgomery's quaint plot rich in mirth producing qualities. We go to the theatre to be amused or entertained. What better than a clean, bright, witty, well acted farce to give value for the price exacted by the play house? Such a one is the claim made for this one by Messrs. G. M. Anderson and L. Lawrence Weber, who have gathered for its interpretation a company of clever artists. This claim is not based on mere assertion but on the fact that the play captured and held for an entire year the jaded, over amused New Yorker. It should then be fitted for our local consumption, as New York is the home of many plays.

Optimistic Thought.

The public is wiser than the wisest of critics.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's recipe to bring color, lustre and youthfulness to hair when faded, streaked or gray.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundrdfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time. By morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

NEWARK WINS FROM THE INDEPENDENTS

The Coshocton Independents lost out Sunday to Newark by a score of 13 to 9. Coshocton showed up well in the first half and by a series of end plays made several good gains altho unable to score. Barcroft showed up well for the locals. Newark made two touchdowns in the first half but missed goal on the first opportunity.

[illegible]

THINKS IT NO DISGRACE TO BORROW MONEY THAT HE MAY BUY WAR BONDS

Editor The Tribune:

[illegible] Coshocton county Liberty Loan committee is falling in with President Wilson's request that Wednesday, October 24, be observed as Liberty Day and arrangements have been made for a great big drive on that day. I hope the answer we send Kaiser Bill that day will be something which will make him sit up and realize just a little bit more clearly than he ever has before that Uncle Sammy is not a person to be monkeyed with.

I would like to see the farmers come to the fore particularly on this day. With the manufacturing and retail business interests of the county carrying the heavy end of the first loan, it came at a time when it was almost impossible for us to go out and boost it, but the crops we were planting and cultivating then are harvested now and I think it is up to the farmers to subscribe heavily to this loan.

My farmer friends, if you have not already subscribed send your answer to the Kaiser on Wednesday; if you have subscribed see if you can't "come across" with an additional subscription.

I notice that two of the first counties to go on Ohio's roll of honor as reaching their allotment in the campaign are Fayette and Lawrence and from what I know of the distribution of population in these counties I feel sure the farmers must be buying heavily. I see that out in Crittenden county, Arkansas, tenant farmers, who in previous years have found it difficult to make both ends meet, who in fact barely had enough money for the necessities of life and knew nothing whatever about investments, are this year buying Liberty Bonds. That not only proves that crops were good in Arkansas but it shows that people are keenly alive to the importance of standing by the government; also that they have the wisdom to invest their money in the safest way in the world.

It really should not be necessary for business men to give up their time so much to induce people to loan their money to the government at 3%.

Some people probably have the idea that buying government bonds is tying up their money. Four per cent government bonds are the most saleable security in the world and will be bought by any bank any time. And in ordinary times the bonds will sell for more than we are now paying for them.

A farmer can tell his surplus this year put it in Liberty Bonds and know that these bonds will never be worth less than 100 cents on the dollar. He won't have to pay any taxes on them either and if he wants to add to the equipment of his farm next year, there are his bonds—any bank in the country will accept them as collateral.

So you see from a strictly business view point the thing to do is to buy Liberty Bonds. But there is another way to look at it. If the interest were less, if the security were only half as strong we ought to buy Liberty Bonds because that is the best way some of us have to show our loyalty to the government. We have seen hundreds boys go, some of the finest ones in our own county are in khaki, and we want to stand right with these boys. We want them to feel wherever they are that the folks back home are with them, that we are carrying our share of the load.

So, farmers of Coshocton county, let us send our answer to the Kaiser on Wednesday. Let us buy Liberty Bonds. Don't wait for some one to ask you. Act on your own initiative. If you can't get into the bank, phone, but don't let the sun go down Wednesday night without your subscribing to the Liberty Loan.

I am going to be out of the county on Wednesday. I wish I could help in the big drive. But before I leave I am going to my bank and sign my application for all the bonds I can afford to buy, even if I've got to borrow the money to do it. Believe me, men, it's no disgrace, to borrow money to buy Liberty Bonds.

Gen Zimmerman Ordered Abroad

CAMP SHERIDAN, MONTGOMERY, ALA., Oct. 22.—Brig. General Charles X. Zimmerman and about 75 other Ohio officers are soon to go to France for observation work, in accordance with orders issued at the division headquarters today. It is possible they may be permanently attached to General John J. Pershing's staff.

With General Zimmerman will go Major H. J. Twehtree and Lieutenant Bodenhaugh and Jeavons and 15 enlisted men of his staff, all Cleveland men, and three colonels, three lieutenant colonels, nine majors and two score captains from the First, Second and Seventh regiments, which now comprise the Sixty-second brigade.

The brigade will pass out of existence tomorrow when the 12 companies of the three regiments commanded by Colonels Galbraith, Deming and Crossen, will be merged with the Sixty-second Field Artillery brigade and the Seventy-third and Seventy-fourth Infantry brigades.

The first and second lieutenants of the three regiments to be broken up will be the only commissioned officers to go with their men. All other officers, together with General Zimmerman's staff, will go with him to France.

Proof of Power of Advertising.

"Advertising is a great art," said one tradesman to another a day or so ago. "Let me give you an illustration: Who should be the best-known son of Jacob? Reuben, of course. But which do you read of and remember most easily? Why Joseph; because he advertised. He wore a coat of many colors, whilst the rest of the family went about in the ordinary kind—whatever they may have been. So we hear of Joseph and his brethren. Such is the power of advertising."

Lemons Whiten and Beautify the Skin! Make Cheap Lotion

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold cream. Care should be taken to strain the lemon juice thru a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, smoothener and beautifier.

Just try it! Make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen, and bring out the hidden roses and beauty of any skin. It is wonderful for rough, red hands.

Your druggist will sell three ounces of orchard white at little cost, and any grocer will supply the lemons.

HIGH HONOR IS AWARDED TO DR. HUFF

A signal honor has recently been conferred on A. L. Huff, Doctor of Chiropractic, Fresno, Ohio, by the Ross College of Chiropractic at Ft. Wayne, Indiana.

This college, perhaps the best known institution of its kind in the country, has just conferred the Honor Degree on Master of Chiropractic on Mr. Huff. This diploma gives Mr. Huff recognition as possessing superior training and ability and places him high in the ranks of this science.

The honor conferred on Mr. Huff is all the more significant from the fact that the degree he has recently received has been issued only to eleven others in the history of the Ft. Wayne institution. He has achieved this signal distinction thru laborious and sustained effort and his friends are congratulating him on this latest advancement in his professional career.

Treatment for Dog Bites.

A dog bite is not always followed by hydrophobia. Wash the wound with an antiseptic promptly and rinse with a solution of water of ammonia—a teaspoonful to a cupful of boiled water. Further to insure safety, the wound may be sucked out, but this should not be done until it has been cleansed and rinsed. Anything sucked out should not be swallowed, and the mouth should be rinsed. Of course, a surgeon should be consulted.

Possibly This Explains It.

"I am not surprised at the general willingness of the people to adopt the safe and sane Fourth idea," volunteered the cynical boarder. "Aviation meets and motorcycle races furnish enough accidents to satisfy the popular appetite for horrors nowadays."—New Haven Journal.

Lines to Be Remembered.

The sun illuminates the hills while it is still below the horizon; and truth is discovered by the highest minds a little before it becomes manifest to the multitude. This is the extent of their superiority. They are the first to catch and reflect a light, which, with their assistance, must, in a short time, be visible to those who lie far beneath them.—Macauley.

"Cascarets" Set Your Liver And Bowels Right

Get a 10 cent box now.

Be cheerful! Clean up inside tonight and feel fine. Take Cascarets to liven your liver and clean the bowels and stop headaches, a bad cold, biliousness, offensive breath, coated tongue, sallowness, sour stomach and gases. Tonight take Cascarets and enjoy the most gentlest liver and bowel cleansing you ever experienced. Wake up feeling grand—Everybody's doing it. Cascarets best laxative for children also.

EAT WHAT YOU WANT WHEN YOU WANT IT

People who consistently deny their appetite some particular dish appealing especially to their palate, because indulgence has always meant subsequent suffering, will think this a strong statement. It is a fact, however, that most people can, without fear of distressing consequences, indulge the appetite within reason if the bowels are active and regular.

Heavy dinners and late suppers can be enjoyed with impunity if, before retiring, one will take a spoonful of Dr. Caldwell's Syrup Pepsin, a mild combination of simple laxative herbs with pepsin that druggists sell for fifty cents a bottle. Gentle in action and positive in effect, it regulates the bowels in an easy, natural way, without griping or other discomfort, and is the ideal family laxative. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and keep it in the house. Use it occasionally and you will find you can eat almost anything you like without fear of consequences. A trial bottle can be obtained free of charge by writing to Dr. W. B. Caldwell, 456 Washington St., Monticello, Illinois.

His Opinion of Papa.

"That young chap you are going around with is a regular pinhead!" stormed Bertha's father. "He doesn't even know the value of money!" "Oh, yes he does, dad," said Bertha. "He says he wouldn't give a plugged nickel for your opinion on anything."—Puck.

Workshop Is Useful.

A convenient building to have on practically any small country or suburban estate is a small structure fitted up with a carpenter's bench and tool closet, with a bin for coal, a recess for wood and a small room fitted up for the storage of household goods or garden necessities.

WHEN ITCHING STOPS

A Little Zemo, the Penetrating, Antiseptic, Satisfying Liquid, Gives Almost Instant Relief.

There is one safe, dependable treatment that relieves itching torture and skin irritation almost instantly and that cleanses and soothes the skin.

Ask any druggist for a 35c or $1 bottle of zemo and apply it as directed. Soon you will find that irritations, pimples, blackheads, eczema, blotches, ringworm and similar skin troubles will disappear.

A little zemo, the penetrating, satisfying liquid, is all that is needed, for it banishes most skin eruptions and makes the skin soft, smooth and healthy.

Easy to Make This Fine Cough Remedy

Thousands of families swear by its prompt results. Inexpensive, and saves about $2.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain granulated sugar syrup. Nothing better, but why buy it? You can easily make it yourself in five minutes.

To make the best pine cough remedy that money can buy, put 2½ ounces of Pinex (60 cents worth) in a pint bottle, and fill up with home-made sugar syrup. This gives you a full pint—more than you can buy ready-made for $2.50. It is pure, good and very pleasant—children take it eagerly.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt results.

Beware of substitutes. Ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

THE "BLOOD AND IRON" POLICY

Is important in peace as well as in war. Every man and woman who would be a winner and not a slacker should have the strength of iron in the blood.

The new iron tonic, Peptiron, combines this valuable metal in medicinal form so that it is easily digested and readily assimilated. Peptiron also includes pepsin, nux, celery, gentian and other tonics.—sedatives for the nerves, digestives and carminatives — a health-giving medicine in convenient pill form.

Take it for anemia or thin blood, paleness, nerve debility, brain-fag. One or two Peptiron after each meal will quickly tell a story of marvellous results. Get it today.

From Pittsburg.

William S. Morgan and Thomas L. Cunningham of Pittsburg, spent the week end visiting their aunt, Mrs. Henry Lorenz, of Hamilton avenue.

WOMEN DOING MEN'S WORK

One of the most striking results of the great war in Europe, is the extent to which women are doing the work of men. Travellers to England and France report that practically every able-bodied man is in uniform and women by the thousands are engaged in doing men's work—acting as conductors and drivers on the cars and doing all sorts of heavy work besides.

This shows unexpected possibilities in what has been mistakenly called the weaker sex. Women are subject to ailments which men do not have, and when so ailing become weak, helpless sufferers. But a remedy has been found. For forty years, Lydia E. Pinkham's Vegetable Compound has been making such women well and strong, and as able to do work as any other woman.

From C. S. G.

Misses Mary and Phebe Frederickson who are attending Columbus School for Girls, will arrive in Coshocton Friday to spend the week-end at the home of their parents, Mr. and Mrs. C. R. Frederickson, on South Fourth street.

Miss Capitola Duling, of this county, and Clarence E. Rothstein, of Columbus, obtained a marriage license at Newport, Ky., Saturday.

Hartman-Hess Engagement is Made Public

The marriage of Miss Freda Hartman, daughter of Mr. and Mrs. John Hartman, of South Fifth street, and William Hess, of Columbus, will be an event of November, and will take place at the Sacred Heart Church in this city. The couple will make their home in Columbus.

Announcement of the approaching event was made at an exceptionally clever Hallowe'en party given last evening by Miss Hartman. As the guests approached the Hartman residence, they were met by a "ghost," who conducted them to the side of the house and showed them a rope which they were to follow. This led them thru a part of the cellar, lighted only by Jack o' lanterns, and up to the main part of the house.

The parlors were but dimly lighted and all sorts of appropriate decorations were used which gave a most spooky appearance. From here, the hostess took her guests to the cellar once more, where they followed a rope thru utter darkness, over a ladder, to a table where cider was served to them from a heavy stone jug. The guests then took turns at visiting the fortune telling booth, which was made of corn shocks, at "bobbing" for apples, and doing other stunts familiarly observed on All Saints' eve.

After all the guests had enjoyed the entertainment provided for them in the cellar, they were seated at the dining room table, where a three-course lunch was served. Decorations here were equally effective, and appropriate to the season. In center of the table was a large pumpkin, with eyes, nose and mouth cut in either side. Smaller pumpkins and autumn leaves were also used, and the table was lighted with yellow candles.

At the close of the lunch, all the lights were extinguished, and a ghost story was told. Just as the narrator was reaching the climax of the story, the pumpkin in the center of the table was illumined with an incandescent bulb which had been concealed in it, and in the eyes and mouth of it the guests read "Hartmas-Hess, November."

The favors were cards adorned with witches, cats and pumpkins, and marked places for the following guests: Mrs. Leta Weber, Mrs. Cecil Rucker, Mrs. Jane Denzer, Mrs. Eli Infield, Mrs. Elizabeth Loos, Mrs. Emmet Fry, Mrs. Alice Fowler, Mrs. Grace Bell, Mrs. John English, Mrs. Milo Bretzius, Mrs. James Waddell, Misses Helen Tidball, Mabel Guthrie, Gayle Goodin, Minnie Hart, Grace and Nellie Boal, Carrie Elliott, Dorothy Dawson, Marie Schaich, Marie Campbell, Hulda Beutenmiller, Cecilia Matt, Clara Weaver, Mary Wagner, Harriet Leffler, Gladys Young, Agnes Griley, Edna Miller, Stella Howe, Ruth Brown, Letha Busenburg, Marie Johnson and Beatrice Rodman

Miss Hartman is a popular young woman, and has many friends who will be interested in the announcement. She graduated from the parochial school in this city in 1911, and in 1914 took an extensive European trip. She is a member of the J. J. G. club, and is active in church organizations. For the past few years Miss Hartman has been clerking in the Ransom dry goods store.

Mr. Hess is the son of Mr. and Mrs. W. D. Hess, formerly of Peoria, Ill., and now of Bellefontaine. He graduated from a school for boys in Peoria, after which he was connected with an advertising company in Chicago for several years. For the past three years he has been in the employ of the J. J. Freeman company, an advertising concern, in Columbus.

New Century Club

The New Century club met at the home of Mrs. William Merrell on Main street last evening. "The Monroe Doctrine" was the subject of a paper by Mrs. Adams, and Mrs. Custer had a paper on "The Reform Bill of 1832."

Plans were made for the social meeting which will be held in two weeks at the home of Mrs. Carl Herbig on South Fourth street.

The club is planning to co operate in the house to house canvass for the sale of Liberty bonds which the women of the Liberty Loan committee will make Wednesday.

To Visit Here

Mrs. Ella Custer, of New Philadelphia, who has been visiting relatives in Dresdein, will come to Coshocton today to be the guest of Mr. and Mrs. M. D. Custer, of Locust street, and Mr. and Mrs. L. P. aGllagher, of Chestnut street, for a few days.

The Ladies' Aid of the Burkhart church will have a chicken supper at the home of Mrs. Ward Norris Saturday evening, October 27.

Hospital Notes

Mrs. Leda Ackert, of Conesville, was admitted in the City Hospital Monday. Dr. Lister Pomerene was the attending physician.

Miss Catherine Day, of Coshocton, Route 2, was admitted to the City hospital Monday. Dr. T. W. Lear is the physician.

How You Can Make Clothes Wear Longer

It's just because the price of everything is so high these days that Fels-Naptha is more economical than ever.

Shirts, waists, underclothes—all these articles *must* be made to wear longer. Make them last longer by removing the boiling and rubbing that does so much to wear out clothes before their time.

Fels-Naptha lengthens the life of your clothes, because it makes boiling and hard rubbing unnecessary. With little work by you, it cleans, even better than the most painstaking rubbing and boiling.

Try Fels-Naptha with *your* clothes and prove it yourself.

Winter Will Not Halt Allied Drive

(By Associated Press)

WASHINGTON, OCT. 22.—Military experts here do not expect winter to halt the great allied drive against the German line in Flanders. Secretary Baker weekly review of war operations issued tonight discloses the belief of the war department that potency of material and men will enable the British and French to triumph over the natural obstacles and continue to force the enemy back without waiting for spring.

The review touches for the first time upon the American expedition force, declaring the men are in efficient fighting trim and and spendid physical condition.

In dwelling upon the importance of the battle of Flanders and its effect and on morale of the Germans, the secretary declares that the high German command planned the recent expedition against the Russians in order to hoister up morale and ward off impending difficulties internally.

Notice to Sick Women

The Experience of These Women Prove That There is a Remedy for Your Illness.

Aberdeen, Idaho.—"Last year I suffered from a weakness with pains in my side and back. A friend asked me to try Lydia E. Pinkham's Vegetable Compound and I did so. After taking one bottle I felt very much better. I have now taken three bottles and feel like a different woman. Lydia E. Pinkham's Vegetable Compound is the best medicine I have ever taken and I can recommend it to all suffering women."—Mrs. Percy Prestidge, Aberdeen, Idaho.

Kingfisher, Okla.—"For two years I suffered with a severe female trouble, was nervous, and had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. After taking ten bottles I am now well and strong, have no pain, backache or dizzy spells. Every one tells me how well I look and I tell them Lydia E. Pinkham's Vegetable Compound did it."—Miss Nina Southwick, R. F. D. No. 4, Box 33, Kingfisher, Okla.

BELL-ANS
Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How To Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestents are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

ONQUERS RHEUMATISM IN A VERY FEW DAYS

It is an established fact that one half teaspoonful of Rheuma taken once a day has driven the pain and agony from thousands of racked, crippled and despairing rheumatics during the last five years.

Powerful and sure; quick acting, yet harmless; Rheuma gives blessed relief almost at once. The magic name has reached every hamlet in the land and there is hardly a druggist anywhere who cannot tell you of almost marvelous cures.

If you are tortured with rheumatism or sciatica, you can get a bottle of Rheuma from the Wimmer-Arnold Co. or any druggist for not more than 75 cents, with the understanding that it does not completely drive rheumatic poisons from your system—money back.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

Farmer Near Coshocton Has Terrible Experience

"I don't think anybody ever suffered more pain than I have. Twice I was operated for gall stones and a third operation was advised. A friend in Iowa wrote me how he was cured by taking Mayr's Wonderful Remedy. I took a bottle on his advice with good results and have also taken the full course. My pains are all gone and I feel I am permanently cured. It is a simple harmless preparation that removes the catarrhal mucous from the instestinal tract, and allays the inflamation which causes practically all stomach, liver and intestinal ailments, including appendicitis. What Are You Going to Do About It Now?

Uncle Sam is calling loudly for your aid in cleaning the seas of that unspeakable wasp that blew up our boat and seventy of our seaman. Maybe the next transport to go down will be loaded to the guard rails with our boys, who are going "over there" to fight your battles. To make this world of ours a safe place for you to live, a safe place for your children and for their children to live their lives without fear of being blasted into atoms by the dictates of a human vulture whose only law is RULE or RUIN. What are you going to do for our boys who must cross the highway of all nations to meet the enemy face to face? Will you throw him a life line by doing your bit to help bring this slaughter house butchery to an early end? Will you help Uncle Sam provide the sinews of war that he may fight the devil with fire? Lloyd George Sees No Terms On Which To Make Long Peace

LONDON, OCT. 22.—"I have scanned the horizon intently," said Premier Lloyd George today, "and can see no terms in sight which will lead to enduring peace. The only terms now possible would mean an armed truce ending in an even more frightful struggle."

Mr. Lloyd George said Germany would make peace now only on terms which would enable her to benefit by the war. He asserted that would be encouragement to every buccaneering empire in the future to repeat the experiment.

More than twice as many German submarines were lost in the first ten months of this year as in all of last year, the premier asserted The British tonnage lost monthly now is not much more than one-third of the total destroyed last April.

RECIPE TO CLEAR A PIMPLY SKIN

Pimples are Impurities Seeking an Outlet Thru Skin Pores.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood thru the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hote water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia Here you have a pleasant, effervescent drink which usually makes pimples disappear, cleanses the blood and is excellent for the kidneys as well.

25 Coshocton Men Work At Newport News On Army Jobs

The following letter was written by H. H. Shrigley, from Newport News, Vo.:

We left Columbus Sept. 27 with 359 men on a special train over the Norfolk and Western. There were about 25 men from Coshocton. We are having fine weather here.

There is a great deal of work here for the government. Camp Stuart and Camp Hill are at Newport News, and there are two other camps in nearby towns.

Will look for the Tribune. I like to hear from the old town.

Cheap and Dear Men.

In an interview with Darwin P. Kingsley a writer in the American Magazine reports:

"Suppose you explain, Mr Kingsley, some of the differences between the $1,000 a year and the $5,000 a year man."

"Punch, faithfulness, capacity for work and inclination for it," returned the life insurance president, "make up the yardstick which measures most differences in salary. It's not at all difficult to spot the youth who has the makings of a winner.

"The $5,000 a year man, to begin with, is always on the job. He is too busy to watch the clock. He is likely to be quicker at his work than the man at the next desk, and he is always looking for more things to do. In a roomful of clerks the man who is always hoeing for heavier tasks doesn't have to ask for promotions."

Counting Seconds.

An easy method of counting seconds that is sufficiently accurate for photographic purposes is to repeat a phrase that it takes one second to pronounce. The majority of people will require one second of time to pronounce the words one hundred and one as rapidly as clear enunciation will permit. The last word of the second should always indicate the number of seconds that have been counted. Six seconds, for instance, should be counted one hundred and one, one hundred and two, one hundred and three, one hundred and four, one hundred and five, one hundred and six. Many who use this method account from forty to sixty seconds with it varying more than one or two seconds from the time recorded by a watch.

MONKEY'S LOVE FOR YOUNG

Mothers Practically Devote Entire Lives to Their Babies and Fondness Knows No Bounds.

Monkeys are born in almost as helpless a condition as are human beings. For the first fortnight after birth they pass their time in being nursed, in sleeping and in looking about them. During the whole of this time the care and attention of the mother are most exemplary. The slightest sound or movement excites her immediate notice, and, with her baby in her arms, she skillfully evades any approaching danger by the most adroit maneuvers.

At the end of the first fortnight the little one begins to get about by itself, but always under its mother's watchful care. She frequently attempts to teach it to go for itself, but never forgets her solicitude for its safety, and at the earliest intimation of danger seizes it in her arms and seeks a place of refuge. When about six weeks old the baby begins to need more substantial nourishment than milk and is taught to provide for itself. The mother's fondness for her offspring continues; she devotes all her time to its comfort and education, and, should it meet with an untimely end, her grief is so intense as frequently to cause her own death.

FRENCH TELL OF CHASE IN BAGGING OF 4 ZEPPELINS

TWO OTHERS OF FLEET THAT BOMBED ENGLAND ARE DISABLED; CREW'S DARING SAVES ANOTHER.

PARIS, OCT. 22.—Altho at first it was believed that the visit of the Zeppelin fleet to France yesterday was an independent raid and the first step toward carrying out the threat made in a German wireless message which said it had been decided to destroy Paris in reprisal for French air raids on German towns, it now is generally believed that these eight Zeppelins, four of which were destroyed or captured, were returning from England and had lost their bearing owing to the fog and probably had lost touch with their wireless communications.

The long book of the Zeppelin which landed intact shows that she has been to England, and prisoners from three other airships confirmed this. One of the men captured said it was the lack of gasoline that forced his Zeppelin to descend.

The raid is widely proclaimed by French observers as being definite proof of the superiority of the airplane over the Zeppelin. The day of the Zeppelin for bombardment, one expert says, is over. The sudden resumption of the use of the German dirigibles is explained by the theory that the raiding Zeppelins belonged to a new type which lately had been reported to be in the course of construction at Lake Constance. No reports have yet been received that any damage was done by Zeppelins or that bombs were dropped anywhere in France.

Of the four Zeppelins lost, two were destroyed and two were forced to descend. The two disabled airships under attack by aviators and anti-air defense posts descended in the Saone valley and were forced to land in the neighborhood of Sisteron, in Basses-Alpes. The crews, after setting fire to the airships, attempted to flee, but were taken prisoner.

The first Zeppelin brought down fell at Saint Clement, seven and a half miles south of Luneville, and not at Rambervillers, as was earlier reported. The Zeppelin was first seen at 5:30 A. M., traveling with two other airships against a wind blowing ten or eleven miles an hour. An anti-aircraft post fired a volley and the Zeppelin arose with a bound. A second volley pierced the envelope, and the airship, bursting into flames, took a vertical position and crashed down at 6:45 A. M.

Five mangled corpses were found around the wreckage. The bodies of the other members of the crew remain buried in the smoking mass. No bombs were heard to explode.

About 2:30 P. M., the Zeppelin L-49 was forced by chaser planes to land near Bourbonne-Les-Bains intact. A naval lieutenant and his second officer and a crew of twenty-seven men were made prisoners.

Somewhat later a third Zeppelin, the L-50, landed near Dammartin, not far from Montigny-Roi, and two officers and fourteen men, including two slightly wounded, debarked. The crew detached one car and destroyed it. The airship, thus lightened then departed with four men aboard. One of the prisoners said this Zeppelin had left Oldenburg on the North sea at 2 o'clock Friday afternoon bound for London. It became lost in a fog, and, being unable to reach its objective, started to return

An official note issued by the war office gives the following summary of the Zeppelin raid:

"The first Zeppelin was brought down by artillery at St. Clement

"The second war forced by an aviator to land near Bourmebonne-les-Bains

"The third was forced down at Laragne, near Sisteron. The crew of four officers and fifteen men were taken prisoners after they had burned the airship.

"The fourth Zeppelin was brought down in the same region about 2 P. M.

"The fifth and sixth airships were reported passing above Gap and were out of control.

"The seventh landed at Montigny-le-Roi, debarked its wounded occupants, threw out ballast and then departed. It was chased by aviators in the direction of Eole and Besancon, and later was signaled, together with eight Zeppelin, as passing over Pontailler, in Cote d'Or, making for Switzerland."

The Matin says that signal posts on the French front and behind it reported during the night that motor sounds, apparently those of Zeppelins, could be heard. As this information was confirmed from Compiegne and Meaux, the eserial defense of the intrenched camp at Paris took measures to repel an attack and a preliminary warning was given to the city. The Zeppelins, however, did not come toward the capital.

ENGINES OF THE ZEPPELINS MUFLED OVER ENGLAND

LONDON, OCT. 22.—Commenting on the German air raid, the Star says:

"Six or seven Zeppelins traveled over England last night, dropped bombs and traveled back. There is no mention in the British official reports of their having been attacked; certainly none was brought down (in England).

"That is a new fact that it is explicable only on one or two theories—first, that the defenses which proved adequate against the 1916 Zeppelins are no match for their successors, or, secondly, for some reason these defenses were not brought into full play.

"The Zeppelins not only traveled very high last night, but they did what has always been a matter for wonder that they did not do better—they muffled their engines. The first alarm came from one of the provinces where a bomb had been dropped. In London also projectiles fell from the blue.

"The effect of silencing the engine is to lessen its power for the time being, and the fact that only at places on the coast the familiar roar was heard shows that the cut-out was employed wherever conditions permitted. So far as London is concerned, nobody seems either to have seen or heard the raiders.

"But Londoners know a great deal more about the raid than the authorities have yet disclosed or the censor has yet permitted to be published. They know when and where bombs or torpedoes fell in various districts, they know what effect each had, they can calculate for how long the raider was over the metropolitan area. They are asking questions and drawing deductions. If the government has any reassuring statement to make, it should be made promptly."
